Update from The Board of Directors & General Manager

- December 21st, 2020 -

Good Evening Members,

With the announcement of the Provincial lockdown earlier today, we are confirming that as of December 26th, 2020 the Club will be required to close for 28 days.

As of today, the lockdown is set to expire on January 23rd, 2021, at which time the Club will reopen under the requisite regulations in place at the time. We will continue to monitor the government announcements and information on the protocols and communicate to Members, as necessary.

During the lockdown, the Club will be able to continue our take-out programs and additional information regarding the programs will be provided shortly.

The Club will also be undergoing a deep clean during the lockdown, with minor repairs completed to ensure the facilities are ready for re-opening.

With respect to Member dues, the Board and management will be reviewing the budget during the lockdown and will communicate with Members in the coming weeks.

We know this is not the holiday season everyone wanted. We value and appreciate your continued support during this time. As always, we welcome your comments, questions and feedback which can be sent to feedback@oakvilleclub.com.

We wish all our Members and staff a safe and enjoyable holiday.
